

Write a Letter to Santa

Music: Arno Brugger & Marco Licht

Lyrics: Marco Licht

Christmas is coming, every year
With hopes and dreams, spreading cheer
It's the time for a brand new start
Time to collect desires of the heart

Ref.:

Write a letter to Santa
to make your wish come true
send this letter to Santa
that's all you have to do

Santa reads the letters, one by one,
Granting wishes, that is fun
He gathers dreams from far and near
To make Christmas special, year after year

Ref.:

Write a letter to Santa
to make your wishes come true
send this letter to Santa
that's all you have to do

Bridge:

Rejoice the sparkling gifts he brings

As winter's beauty spreads its wings

A sleighride in the snow

Enjoy it now - it's Santa's greatest show

Ref.:

Write a letter to Santa

to make your wish come true

send this letter to Santa

that's all you have to do

Outro:

so, write a letter to Santa

write a letter to Santa

send this letter to Santa

come on, it's such an easy way

to get your dreams come true on Christmas day ...
